RUNNING FOR
42
YEARS

Race 42 - 2024

WELCOME

We are delighted to be able to welcome you to our 42nd annual 12k Run.

The race committee would like to thank everyone who has helped make the Stevington 12k Run possible again this year.

Have a great run and we look forward to seeing at the end enjoying some refreshments and food!

ON THE DAY INFORMATION

EVENT ADDRESS

Village Hall, Court Lane, Stevington, MK43 7QT.

TIMING

Race Day – Sunday 28th April

Race start time - **10am**

There is **no** on the day entry

PARKING

There should be ample free parking for cars and motorbikes at the event address in the playing field.

NUMBER COLLECTION

If you booked online, your numbers will be available in the gazebo the other side of the Village Hall. ***Please remember to write any relevant medical conditions on the reverse of your race number.***

SAFETY PINS

Safety pins will be provided with your number. Please pin your race number to the front of your top.

BAG DROP

A bag drop facility will be available inside the Village Hall.

TOILETS

There are toilets inside the Village Hall and 'portaloos' outside for use by all.

TIMING CHIP

Your finishing time will be calculated based on your chip time - chip time starts when YOU cross the start line, not when the first runner does. Timing chips are disposable therefore they do not have to be returned.

TIME LIMIT

There is no time limit or cut off for our race. We encourage runners of all abilities to join us in our race. However, if you are struggling you can hop in the sweeper car which will take you back to the finish.

HEADPHONES

The use of headphones is not permitted. It is important that you can hear what is happening around you, including any emergency services and marshal's instructions.

COURSE MARSHALS

Volunteer marshals wearing high-vis vests will be positioned at regular intervals along the route and at key junctions and turning points. Please listen to any warnings or instructions they provide.

FIRST AID

The first aid post will be within the gazebo, and a medic following the race on a bicycle.

THE ROUTE

The race is a circular route, starting in Stevington and following the road to Oakley on to Pavenham and back to Stevington. See route map.

PHOTOGRAPHER

There will be a photographer on the route. Most likely on Oakley bridges. Photos will be available for free download shortly after the race.

WATER STATIONS

There will be a water station shortly after you pass Oakley Church and then another by the pub in Pavenham. See Route Map.

RACE RESULTS

Results will be published on the Stevington 12k website (www.stevington12k.uk) shortly after the race.

Please do not approach any of the volunteers for your finish time or place.

MEDALS

There will be medals for every finisher, but in the unlikely event we run out, you will be sent one in the post at a later date.

TROPHIES

1st Female & Male

1st Female Vet (35+) & Male Vet (40+)

1st Club

1st Stevington Resident

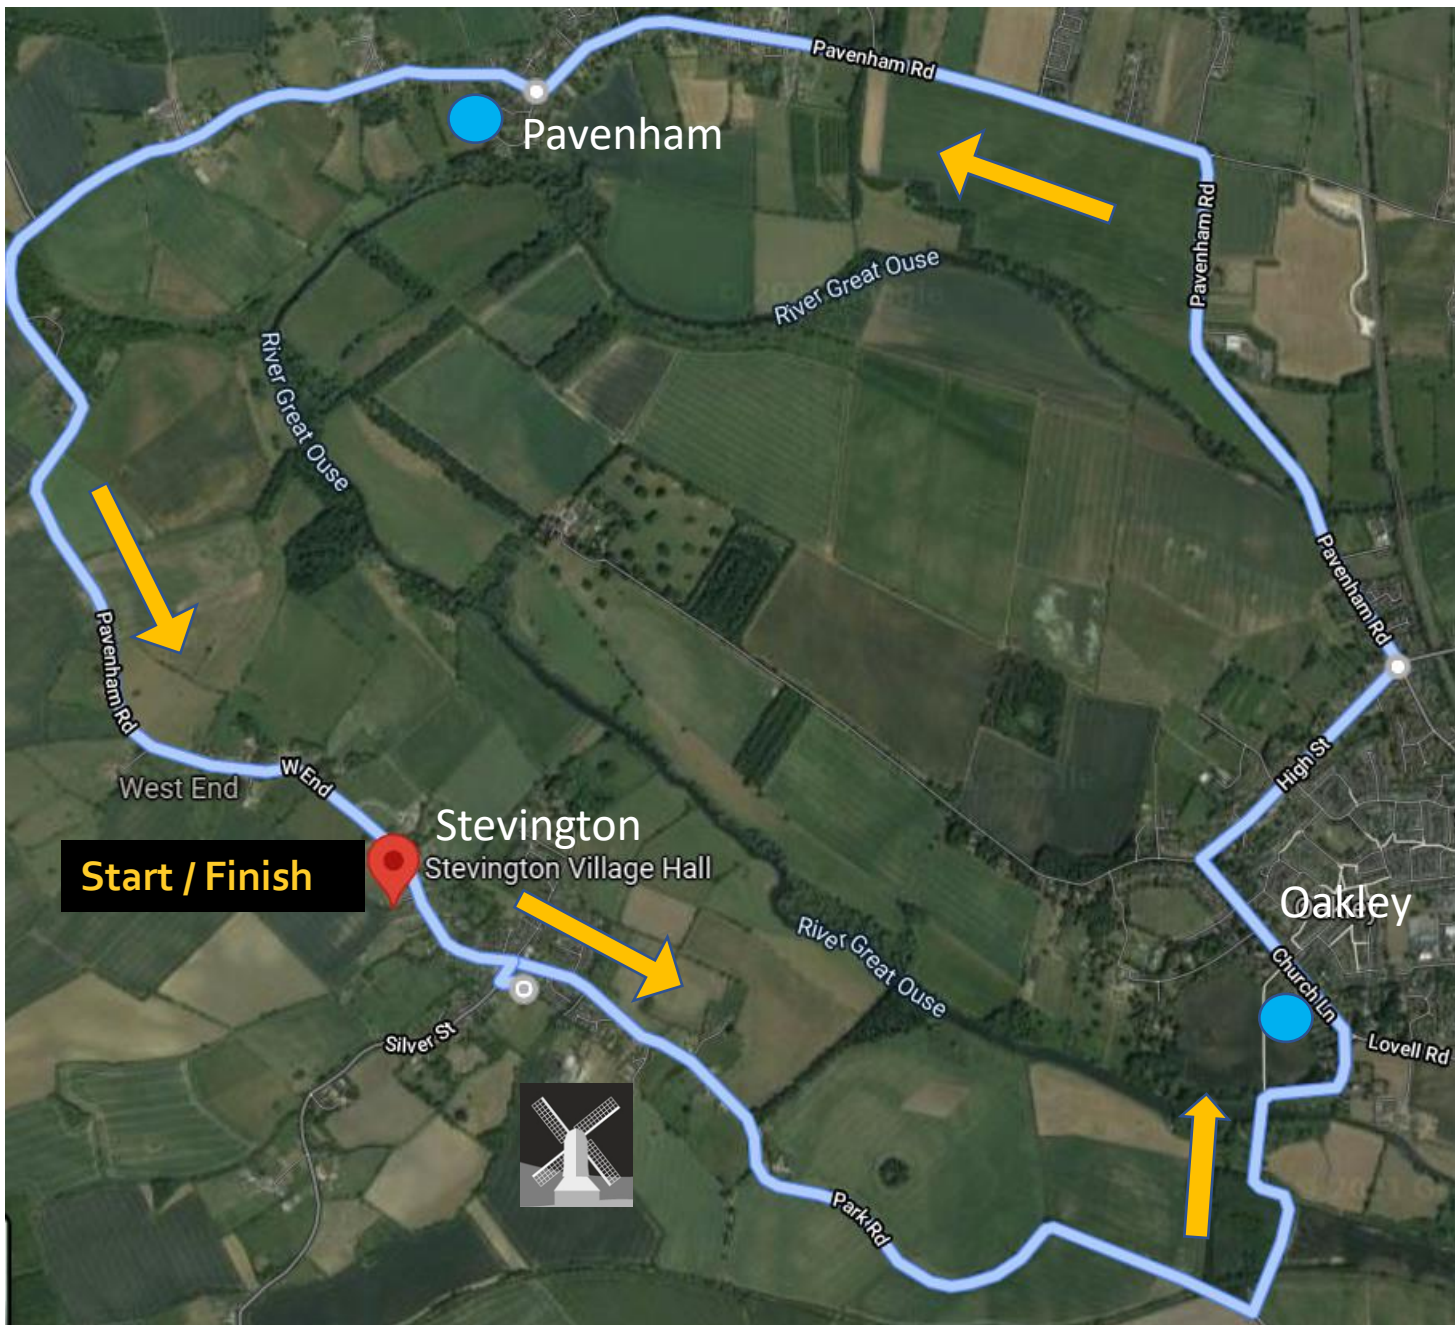

Please note, there will be only one individual award per athlete. For example, if the first female finishing the race happens to be a female vet 35+ (FV), they will win the first female trophy and the second FV to finish will receive the FV prize.

BAR, BBQ & REFRESHMENTS

There will be a BBQ, bar, hot & cold refreshments and homemade cakes available to buy by cash or card for supporters and runners from 10.00am (a bit later for the bar) until everyone has gone home or there is nothing left!

If the weather is nice, you can picnic in the park.
